PRESS BOX

Due to lack of space, accommodations in the press box will be furnished only to representatives of Pittsburgh papers, and from metropolitan papers filing for Sunday editions, press services, Pittsburgh radio and TV sports commentators, and scouts from schools playing either Pitt or its opponent. Requests should be made in advance, indicating whether or not Western Union services will be needed during or after the game. Those coming to the press box, to avoid climbing hills, should have cabs take them to Gate #23. This is located behind Pennsylvania Hall of the School of Medicine.

PRESS COMPLIMENTARIES

The University extends to the privileges of press complimentary tickets to all daily publications in the area. These will be limited to two to each paper. Applications must be received by the Monday preceding the game and the seats will be located in the best available section at the time. A check or money order made out to the University of Pittsburgh for \$.75 per ticket must accompany all requests.

It will be possible to purchase additional seats adjoining press complimentaries by enclosing a check or money order made out to the University of Pittsburgh, and note it on your request. The prices of these tickets are \$5.00 for Army and Notre Dame and \$4.00 for Holy Cross, West Virginia and Penn State.

PHOTOGRAPHER'S PASSES

Sideline passes for photographers will be issued only to Pittsburgh papers and news services, and to the daily papers normally covering the opposing team. Others will be issued to the student publications of the two schools, but they will be limited by the number issued to those in the first mentioned category.

Photographers may work in front of the bench when the occasion demands, if they keep low, but

cutline writers must stay behind the line and obey instructions of the officer detailed to the area, who will lift the credentials of any breaking this rule.

Space in the photographers stand is reserved for newspapers in the same manner as field passes, and also for newsreel and game movie cameramen. This space must be requested in advance to insure adequate space.

Field photographers should enter Gate #3. Photographers covering from the stand should use Gate #9.

THE UNIVERSITY OF PITTSBURGH

The University of Pittsburgh had its beginning in a three-room log house in what is now downtown Pittsburgh two years before the Constitution of the United States was adopted. At the time of its founding it was known as Pittsburgh Academy.

The University is the oldest chartered North American institution of higher learning west of the Allegheny Mountains and north of the Ohio River.

In February of 1819 a second charter was issued, this time under the name of the Western University of Pennsylvania. By this charter the institution was given power to grant baccalaureate degrees. In 1908, with permission of the courts, the name of the school was changed to the University of Pittsburgh.

A legislative act in 1865 made the Allegheny Observatory a part of the University, and there Samuel P. Langley, distinguished for solar research and for early experiments in the science of aeronautics, James E. Keeler, discoverer of the moons of Saturn, and other prominent astrophysicists and astronomers have conducted research. The contributions of Langley, Keeler and others have made the Allegheny Observatory known all over the world.

Since 1892 several schools have been added to the older College and Engineering School, granting undergraduate and graduate degrees. In 1892 the School of Medicine was established; in 1895, the School of Law and School of Mines; in 1896, the Schools of Dentistry and Pharmacy; in 1910, the School of Economics, since 1923 known as the School of Business Administration; also in 1910, the School of Education; in 1912, the Graduate School; in 1907, the Summer Session and Evening School; in 1913, the Extension Division and Mellon Institute for research; in 1922, the School of Retailing and the Bureau of Retail Research; in 1926, the University Medical Center; in 1931, the Bureau of Business Research; also in 1931, Falk Elementary School, a progressive school for elementary educa-

tion; in 1938, the School of Social Sciences; in 1939, the School of Nursing; in 1944, Research in the Natural Sciences; and in 1948, the Graduate School of Public Health.

Construction on the world-famous Cathedral of Learning was begun in 1926. Architecturally the Cathedral is a modern adaptation of the Gothic tower. It contains nearly 100 classrooms and nearly 100 faculty and administrative offices, and more than 100 laboratories which are teaching and research units. It stands 42 stories and 535 feet high.

A feature of the Cathedral is its Nationality Rooms, planned and financed by the various major nationality groups which settled around the junction of the Monongahela, Allegheny and Ohio Rivers and built the mighty industrial city of Pittsburgh. Nationalities represented in the Cathedral are Swedish, Scottish, German, Russian, Chinese, Czechoslovakian, French, Roumanian, Hungarian, Italian, Lithuanian, Norwegian, Polish, Greek, Syria-Lebanon, Yugoslavian, Irish and English.

Construction of the Cathedral was begun under Chancellor John Gabbert Bowman, who held office from 1921 to 1945. Some of the groundwork which made possible the Cathedral and other advances during the Bowman administration must be attributed to his forward-looking predecessor, Dr. Samuel B. McCormick, who served as chancellor from 1904 to 1921.

Great strides were made during the administration of Chancellor Bowman, and spectacular progress under R. H. Fitzgerald who became Chancellor in 1945.

Upon the retirement of Dr. Fitzgerald in 1955, Dr. Edward H. Litchfield, Dean of the Graduate School of Business and Public Administration at Cornell University, was named to succeed him. The University has now embarked on a new development program to cost over \$100,000,000 during the next 10 years.

The modern University of Pittsburgh Memorial Field House, built at a cost of \$1,300,000, was dedicated in 1951.

In 1953, the Medical Center Nurses' Residence was completed at a cost to the University of \$4,500,000.

Recently completed is an engineering building (\$1,500,000); George Hubbard Clapp Hall for science research and teaching (\$2,500,000); a building to house the Schools of the Health Profession (\$15,000,000); the Graduate School of Public Health, costing \$5,000,000, will be completed this year.

The great progress made toward the establishment of the great Medical Center at the University has been highlighted by the development by Dr. Jonas Salk of the Pitt Medical School of the vaccine that is expected to eliminate polio.

In addition the University has acquired the Schenley Park Hotel and Apartments which it will develop into a comprehensive student living and activities center.

In November 1955, the University was given 176 acres of wooded area formerly the Wildwood Country Club and for 20 years a Boy Scout reservation. This has now been reconstructed and now has an 18 hole golf course, six tennis courts, swimming pool, baseball field, two intramural fields, and club house which is used for student and faculty meetings and social activities.

PREVIEW

Pitt lost eleven lettermen including five starting linemen from last year's team which had an unimpressive 4-6 record, and, although nineteen letter winners are returning, the Panthers will be fortunate to break even with a schedule which, as usual, is one of the toughest in the country.

Coach John Michelosen's biggest problems will be finding tackles to replace third string All-American Jim McCusker and Ron Kissel. Another questionable position is at end although four monogram winners are returning.

Besides losing his first string tackles, Michelosen, whose 3-year record as head coach is 18-13-1, lost center Charley Brueckman, a third string choice on some All-American squads, Dan Wisniewski and Dick Carr, who both alternated at one guard, and end Dick Scherer, leading scorer and pass receiver on the 1957 team. Other linemen lost by graduation are tackle Ed Humeston and end Gordon Oliver.

Backfield losses include halfback Jim Theodore and fullback Dick Bowen, who both missed a good part of the season because of injuries. Third string quarterback Jim Lenhart has also graduated.

During spring practice, Michelosen changed his entire offense and seemed satisfied with the results. Pitt will employ a wide open attack, using a split end and a wingback on nearly every play, and will be mainly a passing team.

The Panthers will be especially strong in the backfield. Two lettermen return at each position and the four leading ground gainers are back. The first backfield unit included quarterback Bill Kaliden, left half Dick Haley, right half Joe Scisly and fullback Fred Riddle, last season's leading ground gainer. The second unit has Ivan Tonic at quarterback, Andy Sepsi at left half, Curt Plowman at right half and Bob Stark at fullback.

The third string backfield shows Ed Sharockman at quarterback, John Flara, a letterman at left half, Bob Clemens at right half and Jim Cunningham, at fullback. Flara is a senior and the other three are sophomores.

Co-captain Don Crafton, who took over for Brueckman when he was injured in the middle of the season, looked like a topflight center in spring drills. Serafino Fazio, non-letter winner, will be the second string center while sophomores Mike Lucci and Dick Matyus will also be capable substitutes.

Big John Guzik and co-captain Ed Michaels will give the Panthers two of the finest guards in the country. Unfortunately, however, these are the only lettermen at this position. Juniors Bob Longfellow and Henry Suffoletta were the second string guards in spring practice although sophomores Paul Hodge and Al Corfield could play just as much.

Although three letter winners at the two tackles are back, this position is still the big problem. Ken Montanari and Bill Lindner were running on the first unit with Ernie Westwood and sophomore Dick Mills on the second team. The first three all won letters as sophomores. Leonard Vella and Elmer Merkovsky who should see lots of action, are also sophomores.

Four lettermen return at the ends but Art Gob, an excellent pass receiver, and tough Jim Zanos have the inside track for the first string positions. Joe Pullekines, who developed rapidly toward the end of the season, and junior Bob Rathi will add experienced depth to this position. Sophomores Mike Ditka and David Walker are two outstanding prospects.

Although the Pitt attack will be different, the Blue and Gold will still be a well-conditioned, hard hitting team, both on offense and defense. Nevertheless, the success of the season will depend mainly on perfecting the new offense. Pitt obviously lacked a scoring punch last year, especially inside the thirty.

Michelosen's decision to open up his "Split-T" attack will undoubtedly make Pitt primarily a passing team. Several factors will make the Panthers a stronger team than last year.

In 1957, Pitt had ten lettermen, less than any team except one on the schedule. This year, nineteen lettermen return although only Haley and Michaels have won two letters.

For the first time since 1954, Pitt will have a large crop of sophomores to pick from. If hit by injuries, like last year, Michelosen will have the depth which was sadly lacking in 1957.

Last year, Kaliden had just 27 minutes of varsity action and he was the number one quarterback. This season, Tonic and he will give the Pitts an excellent one, two quarterback punch.

The leading players for special mention are fullback Fred Riddle and guard John Guzik. Riddle who was thrown for a loss only once last year, is a junior and Guzik is a senior.

Overall, Pitt looks stronger than last year but will still have to fight to win five games. Notre Dame and Michigan State finished in the Top Ten.

If Pitt does happen to win six or seven games, Michelosen has done a remarkable coaching job and if something does not happen, the 1959 Panthers squad will be fighting for national honors.

Twenty-eight lettermen return including one from the 1956 season. Eight players will be available for only five games. Seven monogram winners have completed their eligibility.

Top returning player is Dick Wallen, All-American end. Tailback Don Long, left tackle Jim Dawson and wingback Bill Mason are other outstanding players.

This undoubtedly will be Holy Cross' strongest team in a number of years. However, not holding spring practice could hamper the Crusaders early in the season. Crusaders had a 5-3-1 record last year.

Outstanding prospects are ends Perry Gehring and Ken Schultz, halfback Bob Soltis and center Mike Svendsen, captain.

Gophers had 4-5 record last year.

ATHLETIC DIRECTOR TOM HAMILTON

Admiral Tom Hamilton has been Athletic Director of the University of Pittsburgh since 1949. Previous to this, he held the similar position at the United States Naval Academy and also coached for two seasons.

Hamilton was an outstanding athlete at Navy and is rated by Bill Ingram as one of the finest players he ever coached. He was elected on several All-American teams in 1926 and was named to Navy's All-Time Team. Although he averaged 50 minutes a game, Hamilton is best remembered for his kicking ability and his outstanding play in the Army-Navy game of 1926.

He received his wings as a Naval aviator at Pensacola in 1929. He was head football coach at the Naval Academy from 1934 through 1936. At the outset of World War II, he was selected to set up and direct the Naval Aviation and Physical Fitness Training Program which produced 80,000 Naval pilots.

He took part in the invasion of the Gilberts, Marshalls, raids on Truk and Palau, first and second battles of Phillipine Sea, and in the invasion of the Philippines, Palau and Hollandia and in the raids on Formosa and Iwo Jima. Wears the Bronze Star and Legion of Merit, as well as seven battle stars on his Pacific Theater Ribbon.

He headed the Pittsburgh Community Chest Drive in 1952 and is active in civic affairs. He coached the 1951 Pitt team and was also coach for part of the 1954 season.

He was born on December 26, 1905 in Hooperton, Illinois.

He married Emmie Spalding of Coronado, California in 1932 and has two sons, one now in the Navy and the other in the Army.

JOHN P. MICHELOSEN, Head Coach

John Michelosen, 43, who took over the head job at Pitt after the 1954 season, came to Pitt from Ambridge High School, where he played under Moe Rubenstein, in 1934.

He moved into the varsity quarterback in 1935 as a sophomore and retained this job for three years, operating as the blocking back and field general on offense and as a linebacker on defense.

He captained the 1937 team, and in his three years on the varsity the Panthers lost only two games, were in four scoreless ties, and included a Rose Bowl victory over Washington among the wins.

He was an assistant backfield coach at his alma mater in 1938, moved to Brooklyn in the National League as backfield coach to Jock Sutherland in 1940 and 1941.

He entered the Navy in 1942, serving at Iowa Pre-Flight under Bernie Bierman that year, then going with the Atlantic Fleet from 1943 until mid-1945. With the shooting over he was assigned to Corpus Christi, where he served as football coach along with Johnny Vaught.

He returned to Pittsburgh as assistant coach of the Pittsburgh Steelers in 1946.

When Sutherland died in 1948, Michelosen took over as the youngest head coach in the league.

He rejoined the Pitt staff under Red Dawson in 1952.

He is married and has three children, two boys and a girl.

In the first two seasons as head coach, Michelosen guided Pitt to two bowls and one Eastern championship. His three year record is 18-13-1. Seven of these defeats were to teams which finished in the Top Ten. Two of the defeats were in bowl games.

ASSISTANT COACHES

WALTER CUMMINS

Walter Cummins played his high school ball at Greensburg and entered the University in 1942, playing on the freshman team that year.

Before he had a chance to move on to the varsity, he entered the service and served in the Army for three years before returning to the University.

He was a regular for three years, playing end under Wes Fesler in 1946, and then was an end and defensive center for Mike Milligan in 1947 and 1948.

He worked for his Masters degree in 1950-51, and then joined the staff as assistant freshman coach and assistant to the Director of Athletics in 1952.

He moved to Michelosen's staff as center coach.

VICTOR FUSIA

Pitt's backfield coach Vic Fusia, is a Western Pennsylvanian, who came back to Pittsburgh via Brown University.

Fusia played under Elmer Carroll at Wilkesburg High School, in 1930, 1931 and 1932, entered Manhattan College in the fall of 1934, and played quarterback under Chick Meeham in 1935, 1936, and 1937.

In his senior year he won All-Eastern and All-American recognition, played with the Eastern All-Stars, and was a member of the American team which toured France, a team on which his present boss was a team mate.

He was also on the boxing, basketball and track squads at Manhattan.

After graduation Fusia coached St. Barnards School in New York, then went into the Navy, where he served four years coming out as a Lieutenant.

He returned to Western Pennsylvania to coach at Rankin High School, where his teams lost only one league game in two years.

From Rankin he went to Indiana High School, and his 1950 team there was undefeated.

Al Kelley took him with him when he went to Brown in 1951 as offensive and defensive backfield coach, and he came to Pitt in 1955.

ERNIE HEFFERLE

Ernie Hefferle joined the Pitt staff in the summer of 1951 as freshman coach, but when the freshman rule was waived for that season he moved into the varsity picture.

Hefferle, a native of Herminie, played his college football at Duquesne, where he caught a pass that won the Orange Bowl game from Mississippi State in 1937.

He coached at South Huntingdon Township from 1937 through 1940, where his teams won 25, lost 10, and tied 4.

He took a three-year leave of absence in 1942 to serve in the Navy, coming out as a Lieutenant.

Coached at Tarentum from 1946 through 1950.

He has a Masters degree from Pitt, and is past president of the Western Pennsylvania Football Coaches Association.

STEVE PETRO

Steve Petro came to Pitt from Johnstown High School, and played three years as a regular guard from 1936 through 1938.

A volunteer helper during spring drills in 1950, when Len Casanova took over as head coach, he

was made Junior Varsity Coach that fall, and then served as assistant line coach with the varsity in 1951.

After graduation he played two years of professional football for Brooklyn, while working for Bethlehem Steel Corp. He entered the service in 1942, serving first with the Air Forces and then in Intelligence.

Upon his return he went back to the steel industry and stayed out of football until the spring of 1950 when he decided to get his certification in teaching.

He has been freshman coach since 1954, and has handled the guards in the spring drills.

He is married and has three daughters.

ROBERT TIMMONS

End Coach Bob Timmons is serving his tenth year on the Pitt coaching staff. A native of Pittsburgh, he started at Allegheny High School, moved on to Pitt for a year of freshman ball under Dr. Skip Gougler, then spent three years under Jock Sutherland, pairing with Joe Skladany at the ends in 1933.

In April of 1953 he was named to succeed Dr. H. C. Carlson as varsity basketball coach.

He graduated from Pitt in June 1934 and received his Masters degree in 1938.

In 1934 and 1935 he coached high school football and basketball at Smithfield, Ohio, and in 1936 moved to New Brighton High School as football and basketball coach where his high school record showed 29 wins against 12 losses.

In 1939 he was named head coach at Indiana State Teachers and won 5 and lost 3. The following season he won 7 and tied 1, winning the State Teachers College championship.

He entered the Navy in 1943, and that fall played at Iowa Pre-Flight under Don Faurot.

He served in the Pacific in 1944 and 1945 as Aviation Engineering Officer on an escort carrier and also had shore based tours with a squadron, finishing as a Lieutenant.

He returned to Indiana State after leaving the service. His complete record there was 27 wins against 12 losses.

JACK WILEY

Line Coach Jack Wiley was for four years head coach at Waynesburg College until moving to Pitt in 1955.

The 35 year old Wiley, one of Waynesburg's greats, was a protege of the late Frank Wolf at the Greene County College from 1937 through 1941, and had five remarkable years as pro football's lightest tackle under Jock Sutherland and Michelosen with the Pittsburgh Steelers. He weighed only 205 pounds.

In between these two periods were four years in the Army as Infantry officer, with the 28th Infantry Division, enlisting as a private and coming out a captain.

Wiley played his high school football at Richill Twp.

He took over the head coaching job at Waynesburg in 1951 and didn't have a losing season. He won six and lost three his first year, jumped it to seven wins against one loss in 1952, had four wins and three losses in 1953, and in 1954 lost two, won five, and tied one.

Among the nine games his teams lost in the four years were three to West Virginia, and one to VPI (last year), both major schools.

Football until 1955 was an avocation with him, as he has operated his folk's farm near Waynesburg, and also an insurance business.

LOUIS "BIMBO" CECCONI

Louis "Bimbo" Cecconi came to Pitt from Donora High School in 1946 to become one of the school's greatest players.

In his four years at Pitt he played both quarterback in the winged-T and left half in the single wing, both completely to the satisfaction of his two coaches, Wes Fesler and Mike Milligan.

Weighing less than 160 pounds and standing only five nine, Cecconi became one of the smartest quarterbacks and most dangerous runners and passers in Pitt history. From the moment that he took over the team in its opener in 1946 and passed and ran the Panthers to a halftime tie with Illinois' Rose Bowl champions in his first college game, he captured the imagination of the crowd and the respect of his teammates.

He specialized in coming up with the key play, a long punt return, an interception, a last second TD pass, the clutch run for big yardage when apparently trapped.

Despite his size he made his mark with the basketball team as well, being a letterman for four years.

Upon his graduation in 1950 he was assistant coach at Donora High School for one year, then entered service. He spent one of his two years with the Infantry in Germany, then came home to take the head coaching job at Sharpsburg.

Prior to Cecconi's arrival, Sharpsburg had won only ten games in seven years. He won six his first season, and his overall record was 27 wins against 12 losses, and 6 ties.

He was as successful in basketball, taking his team to the Class B playoffs in 1954 and 1958.

In 1956 he received his Masters Degree from Pitt; is married, and has four children, three girls and one boy.

CARL De PASQUA

Carl DePasqua was a great back for Pitt from 1946 through 1949, playing in two different systems, the T and the Single-Wing under Coaches Wes Fesler (1946) and Mike Milligan.

Coming to Pitt as a All-State selection he was a starting quarterback as a freshman, a halfback as a sophomore, and then a fullback on two winning teams as a junior and senior, all this while weighing 175 pounds.

He served in the Army during 1950 and 1951, playing for the Brooke Army Medical Center at Fort Sam Houston, this outfit going to the Cigar Bowl in 1951.

He returned to Pitt to work off credits for his masters degree in 1952, and was freshmen backfield coach during this period as a graduate assistant.

He went to Sarnia in the Ontario Rugby Union in 1955, as backfield coach, and then entered in business in Pittsburgh, rejoining the Pitt staff this summer.

He is married and has one daughter.

A SHORT RESUME OF PITT FOOTBALL

Pitt football began when the University was known as the Western University of Pennsylvania in 1890, but the Panthers did not begin their march into the front line powers for another decade.

In 1904 the Western University of Pennsylvania eleven, had its first winning streak. Sparking this team was Joe Thompson, World War I fame.

He took over as coach after his graduation, and in 1910 turned out an undefeated, untied, and unscored on eleven.

In 1914 under Joe Duff, brother of the former U. S. Senator, the Panthers prepared for the event of Pop Warner, by losing only one game.

Not until mid-1919 did the Blue and Gold bow in intercollegiate competition. Thirty-two consecutive victories were recorded.

The 1916 Pitt team turned up with an innovation, for which millions of football fans have since given thanks. In addition to being undefeated, the Panthers, under Warner, were the first to wear numbers.

During this period the first All-American appeared. Bob Peck in 1915 and 1916, and rated as one of the great All-Time All-Americans at center, Tom Davies, at halfback and Leonard Hilty at tackle in 1918 were some of the stars of the era.

Famous then, and more famous later, players were a big Scotch guard by the name of Jock Sutherland; the 1917 captain and end, now Dr. H. C. Carlson, for 31 years head coach of basketball at his alma mater; and Tiny Thornhill, who went on to coach Stanford's Rose Bowl teams.

Perfect seasons were out after 1919, but they still were winning years. Herb Stein, a center, joined the list of All-Americans, and Harvey Harmon played a lot of tackle.

In 1924, Jock Sutherland began a 15 year regime, which started slowly but ended with the Panthers ensconced among the mighty.

Only 20 games were lost during this period, and another 11 were tied. Eastern titles came in 1925,

1927, 1929, 1931, 1932, 1934 and 1937. Four times the Panthers showed in the Rose Bowl, winning the final game in 1937 against Washington.

All-Americans during the period were Ralph Chase in 1925 at tackle, Gibby Welch at halfback in 1927, Mike Getto at tackle in 1928, Ray Montgomery at guard and Joe Donchess at end in 1929, Jess Quatse at tackle in 1931, Warren Heller at halfback in 1932, Joe Skladany at end in 1933, Doc Hartwig at guard and George Shotwell at center in 1934, Averell Daniell at tackle in 1936, Marshall Goldberg at halfback and Tony Matisi at tackle in 1937, and Goldberg and Bill Daddio at end in 1938.

On the All-American rolls since Sutherland were Ralph Fife in 1941, Bernie Barkouskie, in 1949, and Joe Schmidt, in 1952, all guards; Eldred Kraemer, a tackle in 1952, and Joe Walton, a unanimous choice at end in 1956.

Sutherland left in 1938 and the Pitt power fell off for the next ten years. Charley Bowser was succeeded by Clark Shaughnessy who held sway during World War II. Wes Fesler brightened the picture in 1946, and was followed by Mike Milligan who turned in the first winning teams of a decade in both 1948 and 1949.

When Milligan resigned in 1950, Len Casanova came in to take over for that year, but left the following summer. In 1951 Athletic Director Tom Hamilton took over as head coach, and then in January of 1952 Lowell Dawson was named.

Dawson won six including Notre Dame, Army, Ohio, Indiana and Iowa among the victims, and lost three.

In 1954 ill health caused him to give up football coaching in mid-season, and Tom Hamilton took over as head coach and put the team on a winning basis.

After the season he stepped down to turn the team over to Johnny Michelosen.

A 7-3 record, featuring decisive upset wins over Duke at Durham and over West Virginia before a capacity crowd in Pittsburgh, brought a Sugar Bowl invitation, and a close defeat by Georgia Tech at New Orleans that didn't hurt the Panthers' national ranking.

The Panthers went to the Gator Bowl in 1956, after a 7-2-1 season, and again lost to Georgia Tech 21-14.

THE ALL-AMERICAN ROSTER

The following names are taken from the NCAA Guide and consists of players who were first team selections on one or more of the All-American teams of the last 65 years selected for the national audience and which receive nation-wide circulation such as the teams of Walter Camp, Grantland Rice, Casper Whitney, INS, AP, UP, NANA, NEA, the Football Writers, the Football Coaches Association, the All-America Board, Newsweek, and Sporting News.

PITT HALL OF FAME AWARDEES

Thus far the University of Pittsburgh has had two players elected to the National Football Hall of Fame. Jock Sutherland, a great guard from 1914 through 1917, and Pitt's brilliantly successful coach from 1924 through 1938 was elected in 1953. He was among the first coaches named.

In 1954 Bob Peck, Pitt's first All-American (center in 1915 and 1916), was elected as the first Pitt player to have his name placed on the honor roll.

PITT ALL-TIME RECORDS

Individual figures are compiled from official statistical records of each game from 1931 through 1957. Before 1931 they are taken from play by play accounts of game. Team records begin with the 1904 season. Naturally they cannot be 100 percent accurate, but they can stand until someone comes up with a better way.

THE UNIVERSITY OF PITTSBURGH

120 PIECE VARSITY MARCHING BAND

The University of Pittsburgh 120 piece Varsity Marching Band is composed of undergraduate men of the various schools of the University. Since the University has no School of Music, none who participate in the Band are preparing to become professional musicians but some day will be doctors, lawyers, engineers, dentists, teachers, etc. No member of the Band is compensated in any way for his efforts in its behalf, or for no scholarships of any kind. They work untiringly for the friendship, companionship, and enjoyment that comes from being a part of a great band.

Under Robert L. Arthur with the assistance of Dr. Jack B. Anderson and Ben E. Benack, the band has reached its present level of excellence that has become one of the outstanding collegiate bands in the nation. In its pre-game, half-time, and post-game shows, emphasis is placed upon precision stepping, motivated formations, swinging instruments, and all the shine and sparkle that can be reached at the modern cadence of 160 steps per minute.

The matched gold instruments, blue and gold uniforms with white cross belts, white spats and gloves combined, create an appearance of beauty and uniformity.

In addition to the 120 musicians who perform on the field, there are others who attend to a host of duties. A Graduate Staff of seven attend to administrative details while an undergraduate operations and library staff of ten handle all equipment and properties, music, and the loading and unloading on trips. With this help the Band moves with a minimum of confusion.

Prior to the beginning of the fall semester, these bandsmen, directors, librarians, drum majors and operations crew move into a camp forty

miles outside of Pittsburgh, just outside Zelienople, for ten days of intensive training. They spend fourteen hours a day drilling, learning formations, practicing music, and just plain working hard. The group of men who arrived at camp as individuals return to perform for the season as an integrated, disciplined marching band. With a two hour practice Tuesday and Thursday evenings, the band is prepared to present itself in a manner which is "worth watching".

Ladies and Gentlemen: Presenting the University of Pittsburgh 120 Piece Varsity Marching Band.
